

ASIF KHAN

Qualified Company Secretary | Lawyer
Kandivali, Mumbai | +91 7710813201 | acsasifkhan@gmail.com

PROFESSIONAL SUMMARY

Company Secretary and Lawyer with hands-on training in listed-entity compliance, SEBI LODR reporting, ROC filings, and IEPF processes in a multi-entity corporate environment. Operational exposure to Board governance, shareholder servicing, regulatory disclosures, dematerialisation and investor grievance handling through SCORES. Seeking an entry-level role in a compliance-focused organization to apply statutory knowledge and build capability in governance and regulatory execution.

WORK EXPERIENCE

THE BOMBAY BURMAH TRADING CORPORATION LIMITED

Management Trainee - Secretarial & Compliance Mar 2024 – Present

Corporate Governance & Board Management	- Supported 30+ Board, Committee and General Meetings including AGMs and Postal Ballots across group entities. - Assisted in preparation and review of Annual Reports and Directors' Reports for listed and unlisted companies. - Supported preparation of statutory documentation including notices, agendas, resolutions, explanatory statements, and minutes for governance forums.
Investor Services, RTA & IEPF	- Managed shareholder grievance redressal and investor services, including coordination with RTA, handling complaints through SCORES, addressing issues relating to transfers, transmission, dematerialisation and dividends, maintaining grievance records, and preparing regulatory reports for stock exchanges. - Handled end-to-end IEPF compliances, including identification of unclaimed amounts and shares, preparation and filing of 50+ IEPF-5 E-Verification forms, reconciliation of records, coordination with RTA, responding to IEPF Authority queries, and assisting 25+ shareholders with refund and verification processes.
Regulatory Compliance & Stock Exchange Filings	- Executed statutory and regulatory filings with the Registrar of Companies for the company and 15+ group entities. - Assisted in quarterly and event-based stock exchange compliances, including disclosures and corporate actions for equity and debt instruments. - Maintained compliance trackers and regulatory databases to support accurate reporting and timely filings. - Assisted in maintaining website disclosures including updating policies as per SEBI LODR. - Assisted in preparation and review of stock exchange disclosures under Regulation 30 and other SEBI regulations.
Liquidation & Records Management, and Others	- Assisted in the voluntary liquidation process of an unlisted group public company, including documentation and regulatory reporting. - Oversaw digitisation of legacy records for the company and its group entities, improving accessibility and compliance readiness. - Supported reconciliation of share capital audit reports and coordination with depositories. - Maintained documentation relating to share transfers, transmission, and dematerialisation requests. - Led dematerialisation of physical shares across group entities, enabling liquidity and improved operational efficiency. - Managed ISIN applications for 5+ entities and coordinated dematerialisation of their share capital.
